The story of Tarnished. A former Seeker who was tainted with darkness and gave his soul to the Ring. Now a chalice-drinking Tarnished, he spends his time removing impurities and increasing the amount of light in the world. His story is a courageous one of rebirth. There are many stories, but the fate of those of which the rest of the world cannot understand is one, only for those who can sense the light. ■

Features New Maps and Content: An upgraded map that increases the size of the world and adds a number of new features. In addition, the map will evolve as time passes, and the ranks and maps of important dungeons will change based on the user's action. Additional Content: There are many changes and additions to the game based on user feedback, which may include new content such as a difficulty adjustment system for the story mode and an additional quest. Additional Contents: New contents such as weapons and costumes are added, which will be released in the form of events and "packs" that will be delivered to users based on actions in the game. Additional Contents: New equipment as a reward for the completion of missions and the gaining of Arcane Grace and Light Metal, which will be delivered to users as events. Additional Contents: Additional content such as additional journey maps, additional mini-games, and a brand-new "visual novel" game will be added. New Arcane Graces: The strength of your magic can now be enhanced when you become an Arcane Lord, and the difficulty can be adjusted. You can now also have your "grace points" and levels kept at high levels. New Colors in the World Map: The colors of the world are now richer and more diverse. New Difficulty System: The difficulty of the game can now be adjusted from easy to expert. Improved Graphics: The character portrait, character data, and various other data have been improved in order to further enhance the gaming experience. Animation Improvements: The animation speeds for various actions, including swinging swords and for running, are faster than before, and the breathing volume has been improved. To be continued... ■ Items Elden Ring Box: This is where all of the equipment that is passed between the world of the Elden Ring and the world of

(access the game here) As I've been busy with the preparations for the release of Pokemon Let's Go. And of course I was very curious to see how Crossover is going to rock Let's Go. Ever since the official announcement they introduced small gameplay videos and just hours ago Capcom released the gameplay. Well, many people I believe are interested in this game so I ask myself what is the game we know let's go is based on? Well, even if I'm not quite sure I still want to share my impressions so let's dive right into it. Genre: Action RPG
Developer: Avalanche Software, the same studio behind the reboot of Killer Instinct
Publisher: Bandai Namco Entertainment
Release date: April 5th, 2018 (PS4, Xbox One and Nintendo Switch)
Price: \$19.99
Gameplay and Character Design it's probably the feature that supports that Let's Go is based on the crossover. Avalanche was affiliated with several video game franchises where they worked on the game engine. Let's begin with the plot of this game. The story is based on the 'Lost Sphear' story Arc which is in first place one of the most interesting stories in the franchise on Nintendo 3DS. Let's Go presents us a modern world where all the citizens tried to dull their senses. The brief awakening
